

Living Beyond Suicide Loss Support Group

This 12 week support group is for those wanting to give and receive support regarding the suicide death of a loved one. We wish to create a safe, non-judgmental environment where survivors can simply be among others who share their pain. A facilitator is present to guide participants but we believe the healing will come from hearing others at different places in their grief journey. This group is not a drop in group and it is not intended to replace counselling. Please call 403-342-4966 for an intake.
